150x300x50 9kg

Horizontaal ballast systeem

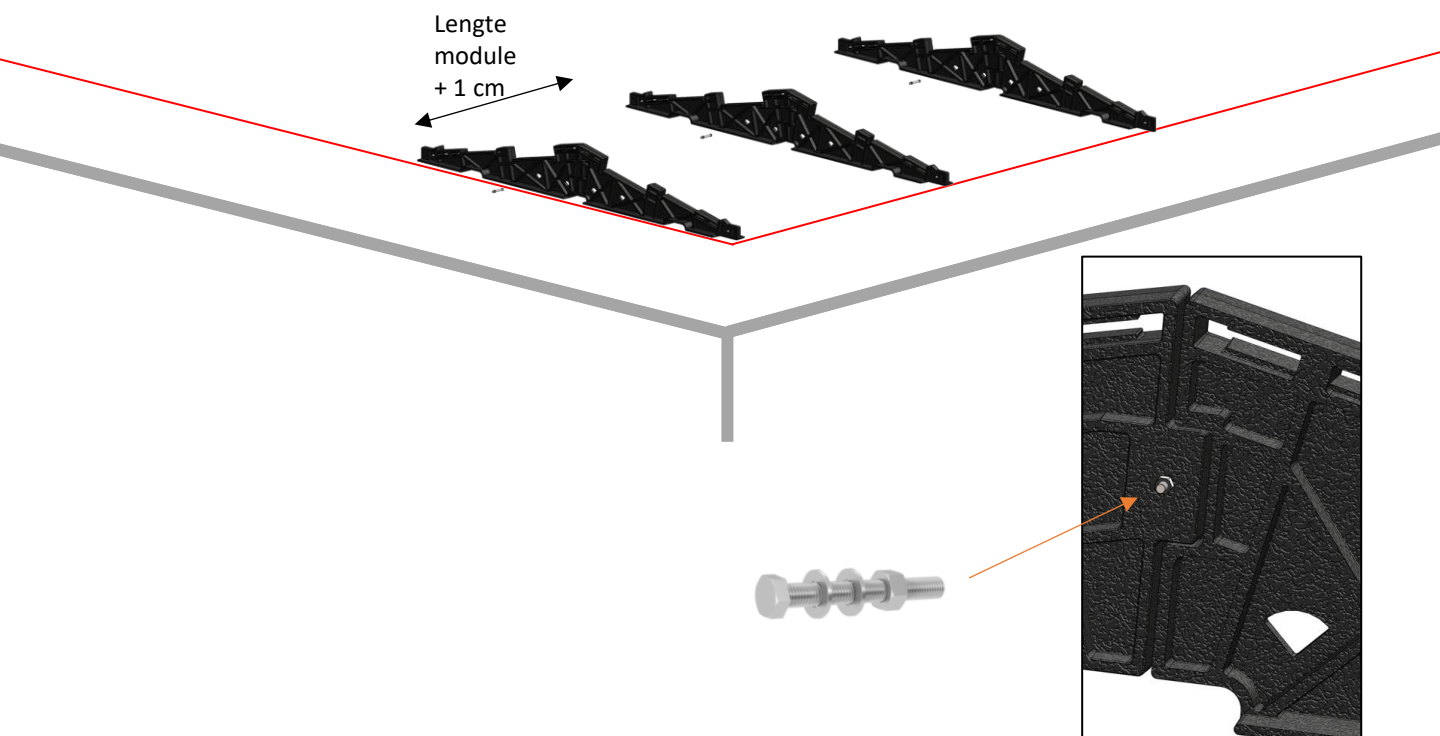

INSTALLATIE-INSTRUCTIES

SNAPSUN Oost-West Systeem

- Teken de locatie van de installatie af

- De SnapSun aansluiten en plaatsen

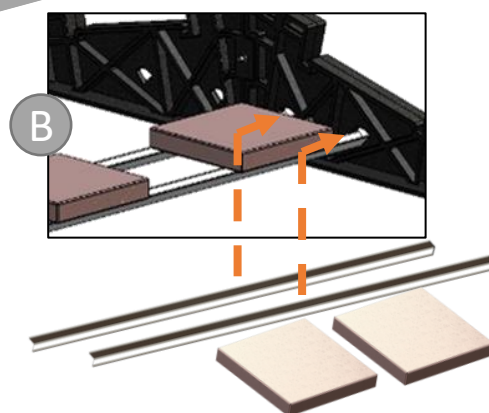

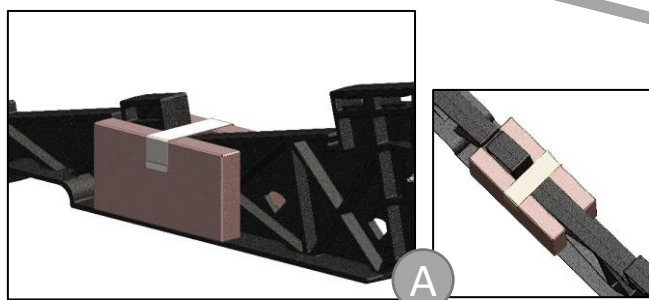

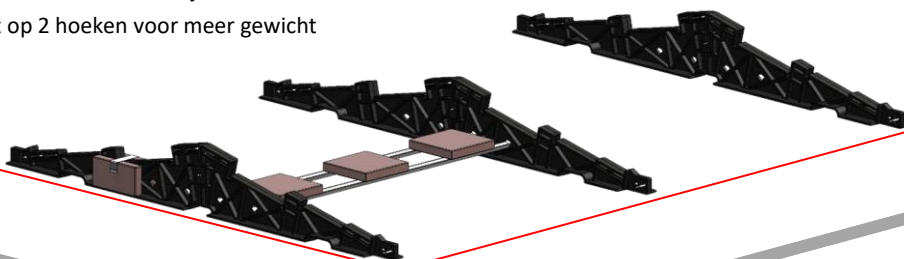

INSTALLATIE-INSTRUCTIES

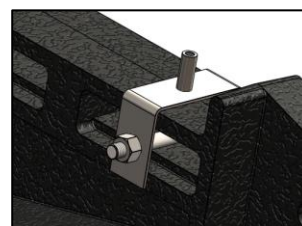

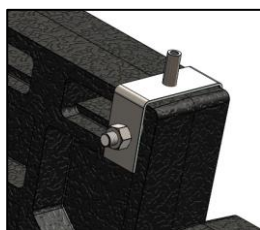

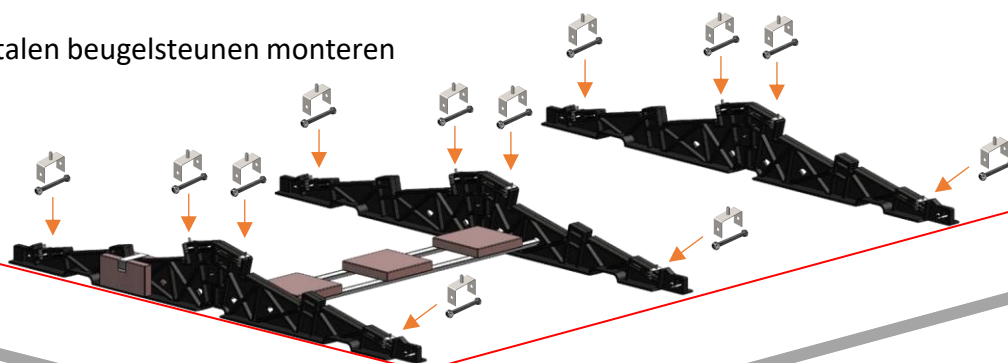

SNAPSUN Oost-West Systeem

- Plaats de ballasten volgens het ballastplan, 2 mogelijke opties:

- A Zijdelingse ballast met een roestvrij stalen U
- B Centrale ballast op 2 hoeken voor meer gewicht

- Roestvaststalen beugelsteunen monteren

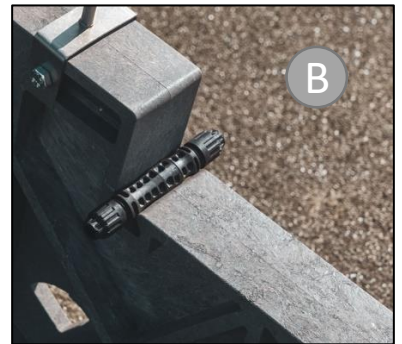

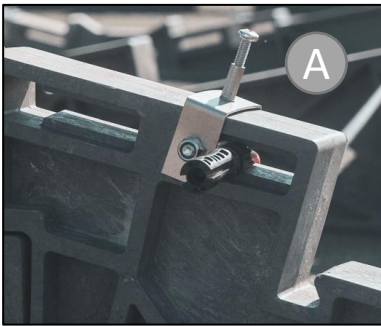

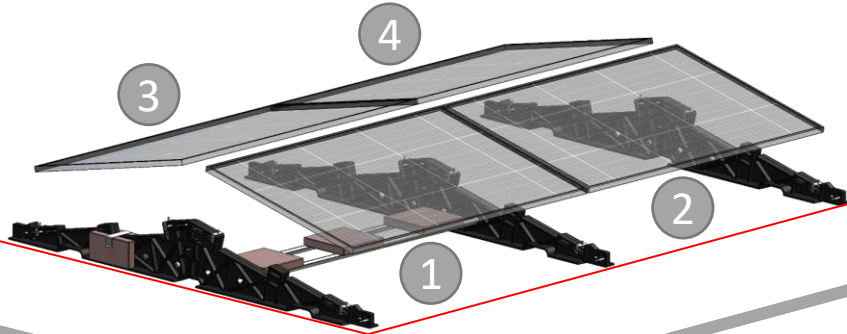

INSTALLATIE-INSTRUCTIES

SNAPSUN Oost-West Systeem

- Plaats de panelen 1 tot 4. Plaats de paneelconnectoren:

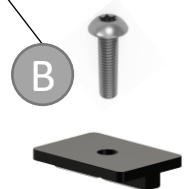

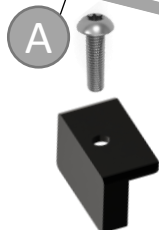

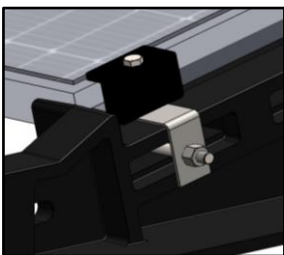

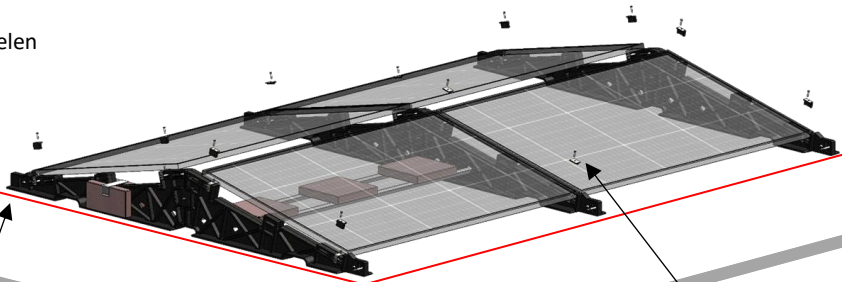

- A** voor lange kabel
- B** voor korte kabel

Deze posities voorkomen dat de kabels in contact komen met de dakbedekking.

- Draai de beugels vast met een koppel van 12 tot 14 N.m.

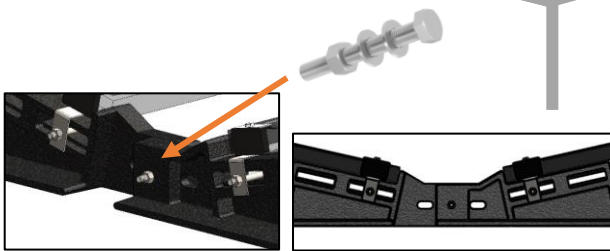

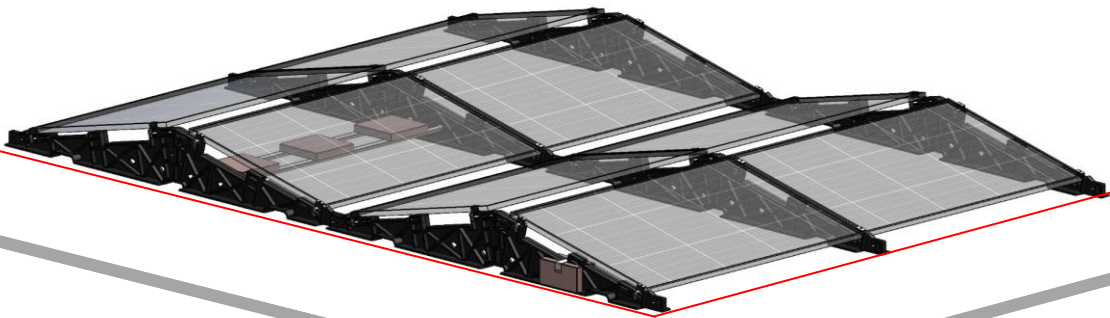

- A** voor zijpanelen
- B** voor centrale panelen

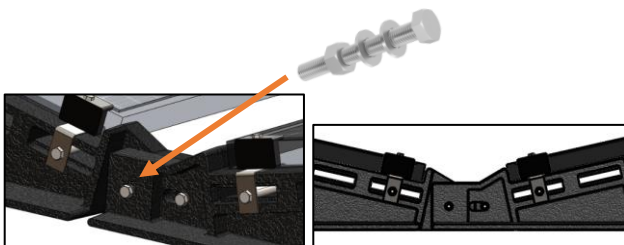

INSTALLATIE-INSTRUCTIES

SNAPSUN Oost-West Systeem

- Herhaal de procedure voor grotere installaties. Verbind de sokkels gewoon met elkaar met behulp van het schroef/moer-systeem. Je kunt ervoor kiezen om de sokkels in positie A of B te verbinden.

A Standaard 5200mm

B Kort 5140mm
